16th April 2018

Dear Parents and Carers,

Our School Adventure Trails

The children were very excited today to be able to use our new adventure trail! We have a rota in place at the moment which ensures that each class has opportunities across the week to use it. We have also discussed and agreed a set of rules for keeping everyone safe while using it.

While this equipment is new, exciting and children will want to play on it, I am asking all families for their support in ensuring our play equipment is not used after school when children are being collected.

All our play equipment, including our old adventure trail, should be supervised by a member of staff and after school we do not have a staff member available for monitoring children.

Thank you for your understanding and co-operation in keeping all our children safe. We are sure everyone will enjoy this equipment for many years to come.

Kind regards

Yours sincerely,

Mr King
