Google Classroom

Dear Parents and Carers,

Thank you to everyone who has been able to log their child in to their Google Classroom so far this year. If you haven't yet, there is still plenty of time to do so!

We are using Google Classroom to put spellings up each week for the children to learn. We have renamed the Google Classes so that they are easier to identify e.g. Year Two – Hedgehog Class.

You will also notice in the classwork section of each classroom there is now an area called, "Work to do if you are working from home". This area will be populated during the week with work that children can complete if they are self-isolating at home and not unwell. It isn't extra homework and should only be completed by those well enough to do so.

Attached to this letter is the guide to getting started with Google Classroom which can also be found in the Google Classroom section of our website [here](#). If you are using a device and are already signed in to a Google Account, you will need to sign out of it first.

Below are the invitation codes and link for each class:

Year One – Squirrel Class: Code: **a4zze6q**
