## **Plaistow and Kirdford Primary School Equipment List Years 1 - 6**

Dear Parents and Carers,

Thank you for providing your child with a well-stocked pencil case during the Autumn term - this has helped to keep us safe by limiting the sharing of equipment in class.

During the Christmas holidays, we kindly ask that you check that your child's pencil case is restocked with the essential, much-used items as listed below. We would like to remind you that pencil cases need to be appropriate for school use and no longer than 20cm please **(they must be small enough to fit in their trays)**.

Ideally the pencil cases should be plain, simple and not distracting. We would ask that the pencil cases are not a novelty style pencil case (please avoid Smiggle styles).

If possible, we would like them to contain:

- 2 blue handwriting pens (not biro/ballpoint)
- 2 HB pencils
- A pencil sharpener
- A red biro/ballpoint pen (red is needed for editing)
- A black biro/ballpoint pen
- A highlighter
- A 15cm ruler
- Some coloured pencils
- A glue stick.

Children in years 5 and 6 would also benefit from having a compass and a 180 degree protractor.

We would ask that items are named where possible.  
Any novelty rubbers/sharpeners/pens will be sent home.

Pencil cases are optional and where children do not have a pencil case, supplies will be provided for them.

If you do have a question, please do not hesitate to contact us.

Many thanks for your support,

Mr King and Mrs Powell
