Dear Parents and Carers

Spelling, Punctuation and Grammar Event for Parents and Carers

This term we are planning to hold an event on Tuesday 27th February for parents and carers that runs through the Spelling, Punctuation and Grammar curriculum. During the session we will go through the most "common mistakes" children make in their learning and advise parents on how they can support them in their writing at home and at school.

By the end of the session we hope that parents are more familiar with the curriculum and how we deliver it in class and are more confident in how they can support their child with their homework.

To help us plan this event it would be useful if all families could complete the form below and return it to the office.

If you have any questions, please do not hesitate to speak to Mrs Poole, our English Subject Leader, or me.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mr King'.

Mr King
