Headteacher: Mr C King

11<sup>th</sup> June 2019

Dear Parents and Carers,

Unfortunately, we are not having much luck with our Sports Day this year. Following the full day of rain yesterday our school field is now sodden. We have more rain forecast for this afternoon and again throughout the day tomorrow.

We really don't enjoy having to postpone events, we fully recognise the impact it has on families. In this instance we have no choice but to put the children at Plaistow and Kirdford first and postpone sports day.

We now aim to hold our sports day on our final reserve day of Monday 24<sup>th</sup> June.

Many thanks for your patience and support in helping us put on the best sports day we can.

Yours sincerely,

Mr King
