

## THE ANIMALS WENT IN TWO BY TWO!

Two teachers Mrs Jesse and Miss Dore from Plaistow & Kirdford will be traveling to Mitoto in Kenya for a 2 week "Classrooms for Kenya" project. Rather than taking "disposable instant" gifts we would like to work with the community in encouraging sustainability and self-sufficiency.

In Margaret's recent visit from Kenya we discussed "what would really help their school and community". Life in Kenya as you would imagine is very different and a little goes a long way.

We are inviting parents and the local community to see if they would like to support our partner school and community in Mitoto by sponsoring any of the following:

Chicken	£2.00
Goat	£25.00
Cow	£120

Motorbike repair workshop. A 10 week course for 10 people to attend to learn how to repair their motorbike (the primary means of transport). £50

Any support you are able to give would be greatly appreciated. If you would like to sponsor an item or an amount then the school office would be happy to receive your money. Mrs Jesse and Miss Dore will be buying the items when they visit on 18 October 2019.

We are currently working on online payments and will keep you posted.
